1. Please, come back, ba-by, please, don't go, for the way I
love you, you'll nev-er know. So come back,
ba-by, let's talk it o-ver, just one more
time.

2. For the way I love you, you know I do,
for the way you love me, baby, you never know.
Come back, baby, let's talk it over,
one more time.
3. You know I love you, tell the world I do,
for the way I love you, baby, you'll never know.
So come back, baby, let's talk it over,
one more time.
